Note from the Principal

What an amazing month we have had here at Cincinnati Technology Academy! From St. Patrick's Day to recognizing Women's History Month, one could definitely feel the excitement around the school hallways!

I am so proud of each and every one of our students. They are working hard on various subjects and you can definitely see their hard work paying off. Keep up the great work students!

Have a great day!

Principal

Women's History Month

TO KICK OFF WOMEN'S HISTORY MONTH, VICE-MAYOR OF CINCINNATI, JAN-MICHELE KEARNEY, SPOKE TO OUR STUDENTS ABOUT HER LIFE STORY AND ENCOURAGED THE YOUNG LADIES THEY CAN BE THE DIFFERENCE.

Happenings at CTA

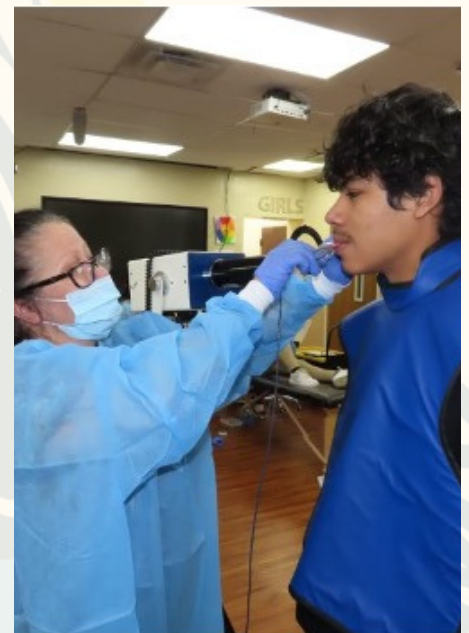

Family Food Night

Over 50 students and family members attended our Family Cooking Night where Mrs. Ramona showed families how to make various healthy meals.

S-M-I-L-E

Smile America Mobile Dentist provided teeth cleaning and oral exams for our students.

PTA Formation

Cincinnati Technology Academy is looking to form our very own Parent Teacher Association. If you are interested in partnering with us to plan events and be involved in upcoming planning, you can contact Ms. Twala Wills at twills@cincitechacademy.org.
